

Hello, Happy December

This month the children will focus on Winter Weather, Cognitive Thinking, Small and Large Motor, Health, Colors and Shapes,

Celebrations Around the World, and Nursery Rhymes. The Teachers and children will continue to work on Basic Skills.

The Teachers will continue to make sure all of the children will take full advantage of our Outdoor Play Spaces. The children will be going outside twice a day as the weather permits. We ask parents to please dress your child appropriately.

Family Game for The Holiday: "Scavenger Hunt". Families choose your own way to play. Also have the family build/decorate a Gingerbread Man/House.

Parents of Preschoolers: Have them help set the table for the upcoming Winter Holiday.

Happy
Holidays!
