

## From the Director

Hello, Welcome March 2023

This month the teachers/children will focus on having FUN with ST. Patrick's Day and the color green. The children will: learn how to make Four Leaf Clovers, Gold Coins, Banners, and BIG Hats using various materials. The children will continue to work on Basic Skills. Winter is near end and we will welcome Spring on March 20<sup>th</sup>. We ask parents to please dress your child appropriately.

Family: St. Patrick's Day Activity: Make Shamrock Cookies. A nice tasty treat!

Mrs. Sandra will be Dr. Suess on the 2<sup>nd</sup>.

Parent/Teacher Conference: March 27-31, 2023.

Teachers will provide a schedule of a date and time for you to meet for your child's Conference.

# CLASSROOM HIGHLIGHTS

## Infants

Lily is trying a new thing outdoors on the Infant's Playground in the Bucket Swing. She looks a little fearful but she seems to be enjoying her new experience.

## Twos

### Outdoor Play:

Amari, Logan and Ariel are enjoying a nice day sitting on the bench on a nice warm winter day.

## Preschool

The class is enjoying a day of baseball outside but they took a minute to strike a pose before leaving for the Playground.
