Bonnie Williams, Toddler Teacher

Education

Teaching Since: 1998

Favorite Children's Book

What A Wonderful World by George David Weiss

I Became a Teacher Because:

I was inspired by the wonderful experience my son had in Head Start. The teachers created a positive and nurturing environment for the children and families. It is rewarding for me to have a positive impact on a child's life.

Kimberly Hayden, Toddler Teacher

Favorite Children's Book

There's a Bear In My Chair by Ross Collins

I Love Teaching Because:

I enjoy watching children transition through the developmental stages and having an impact on their growth.
